Raptivity among Top Three in Best of 2007 Elearning! Awards

Raptivity, the award-winning e-learning software, was selected to be among the top three finalists for Best of Elearning! Awards. These awards, constituted by Elearning! Magazine, are based on the nominations and votes of readers and professionals from hundreds of organizations worldwide.

"The Best of Awards are unlike any hosted in this market," reported Jerry Roche, Editorial Director of Magazine. "Every brand and product was reader nominated and the finalists are the leading vote earners from each product category," Roche continued.

"Globally, users are recognizing Raptivity as the leader in the field of rapid interactivity. Recently Harbinger was recognized among Global top 20 Specialized Learning Process Providers by TrainingOutsourcing.com for the second consecutive year. The Best of Elearning! recognition has reinforced Raptivity's leadership", said Vikas Joshi, Chairman and Managing Director, Harbinger Group.

Raptivity allows users to create true learning outcomes with meaningful interactivity. The Raptivity library of games, simulations, 3D objects, virtual world interactions, videos and 200+ such pre-built interactions is based on best practices in instructional design. The content published by Raptivity is a single flash file so it fits right into hundreds of eLearning tools and can be used anywhere.

Raptivity recently won the prestigious Technology & Learning's Excellence Award, adjudged by a panel of eminent educators in San Francisco.
